

# RETURN AIR TRANSPORTATION AGREEMENT

## For Prospective International Students

Dear Prospective Student,

The policy of Christ For The Nations Institute is that we never assist students with the purchase of airline tickets. Many countries require the purchase of round-trip airline tickets as a prerequisite for obtaining a visa. We recommend that you do this, especially if you are traveling from one of the developing countries, as tickets tend to be cheaper there. This is not always the case, so we recommend that you research this thoroughly.

Upon arrival at CFNI, you are required to present sufficient funds to purchase a ticket to International Admissions. The ticket or funds will be kept in a safe-deposit box so that you may use it to return home.

Your acceptance as a student will be conditional on the basis that you have the money (in U.S. dollars) to buy a return airline ticket when you arrive on campus. Bear in mind that this must be equivalent to the amount spent on the first part of your trip. If you do not meet these requirements you will not be registered for classes.

It is essential that you sign below to acknowledge your responsibility to bring the money with you for the purchase of your return airline ticket.
